Coach Mentor meets with student mentee every other week beginning October 12, 2015 and ending April 25, 2016. for a 55 minute class period. There is 20 weeks of 55 minute contact.

During the class period, the coach mentor does the Tyro activity tied into the Tyro lesson the student received by Landra White. Coach speaks on how that lesson impacted the Coach Mentor's life. This is a turnkey program. Coaches receive all the materials. There is no preparation necessary as the activities are self explanatory. Activities work even if the student mentee missed Landra's in- class lesson. Tyro is a life skills program.

Dohn administration will pull the student from that class period and you will meet with the student mentee one on one to do the Tyro activity.
